Top 5 Positive Sentences:

- **really loved the content of this course! The explanations were very clear and easy to understand. I loved how energetic the instructor was as well. I would definitely check out a course by this instructor again**

0.756982

- informative course!!! I would definitely check back in again. The instructor's visualizations made the difficult concept much more simple to understand, and I appreciate that she tries to be energetic and relatable 0.717295
- one of the better ones I've seen. The instructor was pretty clear, and I liked how lively she was throughout the explanation. I would probably just improve the audio quality a bit, since the audio was a little fuzzy at some points 0.695769
- decent explanation of the Pythagorean Theorem. conceptually I think I get it now. 0.664862
- would tune back in again 0.624861
